

## VIRTUAL HOUSE MANAGEMENT SERVICES AS A TEAM BENEFIT

*The Ultimate Employee, Team and Executive Benefit!*

*Improve retention, attract talent and increase employee productivity.*

### WHO WE SERVE

#### Executives

Our services let busy executives focus on work while they're at work and home when they're at home.

#### Working Parents

Attract top, diverse talent by providing tangible support to working parents.

#### Teams

This benefit boosts team morale and can be used as a reward or perk.

#### Busy individuals

Everyone needs help with their personal To Do list! Our services reduce stress and increase focus.

### WHAT WE DO

We do your To Do list!

Meal planning, finding a house cleaner, scheduling doctor's appointments, buying gifts for friends and family, planning your kid's birthday party, consolidating retirement accounts, getting quotes for that home renovation project, and so much more.

### HOW WE WORK

We offer monthly subscriptions of 5, 10 or 15+ hours of the help your teams needs to manage their home.

They work with their assigned house manager to establish priorities, organize a shared to do list, and gather the information we need to complete their projects.

### WHY IT WORKS

Virtual house management services alleviate the stress of managing household tasks, allowing employees to focus on their work and personal lives without distractions.

By outsourcing home-related responsibilities, employees can enjoy more free time, improved work-life balance, and reduced stress levels.

### FEEDBACK

*"Introducing virtual house management services has allowed our employees to reinvest in their careers and be present with their families when they return home from the office."*

Here's why you should **WORK WITH US**

By offering our virtual house management services as an employee benefit, your company can enhance work-life balance for your team, boost morale, and improve retention and productivity.
